**ATMOSPHERE OF FLORIDA COLLEGE
TEMPLE TERRACE, FLORIDA**

Florida College is unique among colleges in that, along with an emphasis on academic achievement, moral and spiritual values are taught and encouraged. Students participate in daily periods of devotion. Accredited courses of instruction in the Bible are part of the required curriculum. All academic courses, including those in Bible, are taught by highly qualified educators who share a belief in God, a high standard of behavior and a commitment to academic excellence.

Activities at Florida College are based on the same standards. Students enjoy a wide range of on-campus organization, societies, seminars, sports, concerts, dramatic productions, other cultural events and performing groups. The small size of the student body affords opportunities to participate in many of these activities: involvement in campus life is strongly encouraged. The obvious family atmosphere is promoted from the moment one walks onto campus.

This description is brief and by no means complete, but it is intended to make the reader aware of the kind of student who pursues a Florida College education.

Thank you for your consideration.
